Name of the Company: **M/s. TGTMC SUPPLY CHAIN LIMITED**

Reason for Site Visit Inspection: Initial Public Offer (IPO)

Basic Information about the Company

Type of Business:

TGTMC Supply Chain Limited is an integrated supply chain management organization with warehousing, fulfilment services and logistics service provider. In December 2019, the Company commenced operations in integrated warehousing management. In 2020, the Company further broadened its supply chain operations to include warehousing and transportation services. During the same year, the Company also commenced providing services in the general wellness segment. Accordingly, since 2019, the Company has progressively diversified and expanded its operations across integrated supply chain management, warehousing, transportation, fulfilment services. Over time, supply chain management has emerged as one of the Company's principal and core business verticals.

Since the year 2025, in line with its strategy to diversify and explore new avenues of growth, the Company has ventured into the business of Strategic consultancy in the field of Sports Nutrition and General Wellness, reflecting its focus on entering high-growth and knowledge-driven sectors. The Company's service offerings are not limited to advisory in nature but encompass an integrated, end-to-end approach across the entire product lifecycle. These services include product conceptualization and incubation, vendor identification and sourcing, followed by branding, positioning, distribution strategy and market execution, culminating in the final delivery and end use of such products by consumers. Through this comprehensive approach, the Company seeks to provide holistic and value-driven solutions to its clients operating in the sports nutrition and wellness sector. Leveraging its operational capabilities, industry relationships and market understanding, the Company aims to deliver these services in a structured and scalable manner, addressing the requirements of clients operating in the sports nutrition and general wellness sector.
